

STATHAM 50 CENT FOX LUNDGREN JAA
UWAIS COUTURE 2 GARCIOU 4 STALLONEM

A central graphic of a human skull, rendered in a fiery, orange and red color palette. The skull is surrounded by a dense, circular arrangement of various firearms, including assault rifles, handguns, and knives. Many of these weapons are engulfed in flames, creating a dramatic, sunburst-like effect. The background is dark, with scattered sparks and embers.
